

AGSTEM COMMUNITY FORUM

As Regional School District 12 moves forward to become the 20th Agriscience program in the state, the district will host an AgSTEM Community Forum. The forum will provide the community with an update on the AgSTEM Program and the steps that were taken in the past year allowing the State Department of Administrative Services to include the projects on the 17/18 State Priority List. It is anticipated that members of the architectural and construction management professional firms will attend to answer questions along with Board members and administrators.

Tuesday, January 10, 2017

6 p.m. to 8 p.m.

**Shepaug Valley School Auditorium
159 South Street, Washington, CT**
