

# REMINDER

## Washington Primary School's Walk for Water

**When:** Friday, April 27th, 2018

**Where:** River Walk near the Pavilion

**What:** REACH students will walk 1-2 laps with a 4th or 5th grader. Students in grades K-2 will walk 1.5 miles (3 laps) and grades 3-5 will walk 3 miles (6 laps).

**Why:** Students are walking to raise \$4,000 for our H2O for Life partner school, EZ Kabane in South Africa

**How:** Students collect pledges from friends, family, neighbors and local business to reach our goal thus allowing for improvements to their water capabilities, including adding additional sources for drinking water, flushing toilets, and building a water tank at EZ Kabane in South Africa. Please send all donations, cash and checks (made out to H2O for Life), to school in a marked envelope or donate online at [www.h2oforliveschools.org](http://www.h2oforliveschools.org)

Click on Find a School, Connecticut and select Washington Primary School to "Donate Now."

**TOMORROW IS OUR FIRST DAY TO BRING IN PLEDGES.  
LET'S FILL OUR GALLON OF WATER and REACH OUR  
GOAL! ANY AMOUNT WILL MAKE A DIFFERENCE!**
