

# Become an Inventor

Be a creative problem-solver and make something better or new!  
Join the Invention Convention Club

## What is the Invention Convention Club?

It is an after school club that meets on Wednesdays from January 10th through March 7th. Students are expected to create an invention at home. Activities at the club meetings will help to support the process. Students will complete a journal weekly to mark their progress. On the 7th of March, our WPS Invention Convention will be held. The young inventor will display their invention with a tri-fold presentation board explaining their process and the value of their invention. Judges will determine winner(s) who will in turn go to the regional level Invention Convention on March 18th at the Hamden Middle School, Hamden, CT.

**Invention Convention Club meets on Wednesdays from 3:30 - 4:30**

**Meeting dates are:**

**Jan. 10, 17, 24, 31**

**Feb. 7, 14, 21, 28**

**WPS Invention Convention - March 7th: 5:00 - 8:00 p.m.**

(Regional Invention Convention is March 18th)

**RSVP by Friday, January 5, 2017**

---

My child has permission to stay after school for the Invention Convention Club.  
I am committed to helping them create their invention and the tri-fold presentation board.
