

Blackboard

Our Alert Messaging System

At Washington Primary School, we use the Blackboard Messaging system to make parents aware of school cancellations, delayed opening, early dismissals and any other information that we may need to make you aware of immediately. In most cases, the phone number listed in Blackboard is your home number. We have the capability to add a second number. Both numbers will be called.

Please take the time to complete this form to make any changes or additions to your preferred phones.

Blackboard Phone Preferences

Student Name: _____ **Grade:** _____

Phone #1: _____ Home Cell Work (Please circle)

Phone #2: _____ Home Cell Work (Please circle)

Please note:

- *Blackboard accepts a maximum of 2 phone numbers.*
- *Currently, text messaging is not available.*
