

On March 29th the students of WPS will participate in Matthew’s Hearts of Hope Hug a Pillow Project. Students will stuff heart pillows and volunteers will help with the finishing touches.

All materials for this project will be provided by **Matthew’s Hearts of Hope** and the finished products will be delivered to Children’s Hospitals to provide comfort to children being hospitalized with congenital heart defects.

If you are interested in volunteering on March 29th between 9:00 and 12:15 please complete the form below and return to the main office.

For further information, please contact Becky Bottari at bottarir@region-12.org

Matthew’s Hearts of Hope, Inc. (MHOH) was founded by Marie Hatcher, Mom to Matthew, to raise awareness to the number one birth defect, Congenital Heart Defects (CHDs), offer support to CHD patients and their families, as well as raise funds for research. This is a non-profit organization with a Board of Directors comprised of four nurses, one pediatrician and two pediatric cardiologists amongst others.
