November 2, 2017

Dear Parents and Guardians:

In recognition of American Education Week, you are invited to visit your child's classroom on ***Wednesday, November 15th on Parent Visitation Day.*** You will learn side by side with your child and get a glimpse of the teaching practices and the grade level curriculum.

To support this effort, we have provided you with a schedule by teacher so that you may plan for your visit. The schedule will be posted on the Refrigerator Door. Along with the classroom time, the schedule for each teacher will include a special area and a math, reading and/or Makerspace parent workshop. If the times for your child's teacher are not convenient for you, please contact the office and we will assist in finding an alternate time that is best for you. In addition to the classroom visits, we also welcome you to eat lunch with your child.

The Washington Primary School community values the home and school partnership. We are excited to see you in our classrooms and hope that you will be able to attend. If you have any questions or concerns, please feel free to contact me at 860-868-7331 or at judde@region-12.org.

Sincerely,

A handwritten signature in blue ink that reads "Emily Judd". The signature is written in a cursive style.
