# NURTURING YOUNG ARTISTS MUSIC PROJECT

ASAP!'s *Nurturing Young Artists Music Project* brings together composers, Jessica Rudman and Luke Nelson with Region 12 students, grades K-5 and elementary school music teachers. Students will be supported in their creative endeavors as they explore and develop their artistic process. Ms. Rudman and Mr. Nelson will guide children as they learn to compose and create music. The project will culminate in a performance, which will include a video documenting the process. Artwork and or stories created during the project will be included as part of the showing.
