Washington Primary School is a learning community dedicated to educating and inspiring children. We foster engagement and collaboration to achieve high expectations. In partnership with families and our community, we prepare children to be respectful, caring, and contributing citizens who will lead us into the future.

Dear Parent(s):

You are cordially invited to attend the Washington Primary School annual Parent Open House on **Tuesday, September 12, 2017 at 6:00 P.M.** Washington Primary School is an exciting learning community and we are eager to share our programs and expectations with you.

Our Open House is an opportunity for parents and teachers to have special time together learning about the expectations of a new grade level. Our evening will begin in the gymnasium with a welcome, remarks from the Parent/Teacher Organization, an overview of WPS goals, and an introduction of staff. Following our opening, parents will visit individual classrooms to learn about grade level expectations and experiences. Our support staff and specialists will also be available. Refreshments and conference sign up will be held in the art room.

We are requesting that only parents attend. However, we are sensitive to the needs of our families. If child care is a concern, we will provide an activity for students who are in our pre-k to fifth grade classes for that evening. **Please complete the response below if child care is needed.**

We look forward to seeing you at our Open House and to our work together as we make this year a most successful and rewarding school year for all our children.

Sincerely,

Emily Judd
