CREATIVITY: WHERE IT COMES FROM AND WHERE IT CAN GO with Michael Moschen

Michael Moschen is a world-renowned visionary performing artist and *MacArthur Genius Award* recipient. Through performance Mr. Moschen reveals and shares his essential elements of creativity. Please join us to explore how these elements — curiosity, play, self-challenge and little risks — underpin and feed his imaginative work and can contribute to your skill of creativity.

***“Creating something new
is impossible — until you do it.”***
